RE: **Engagement Letter for Preparation of 2018 Individual Tax Return**

Dear :

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2018 federal and state income tax returns from information which you will furnish to us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. We will furnish you with questionnaires and worksheets to guide you in gathering the necessary information. Your use of such forms will assist in keeping the fee to a minimum.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, cancelled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations and/or irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the foregoing fairly sets forth your understanding of the terms and conditions of our engagement, please send in your tax information to our office for preparation of your income tax returns.

We want to express our appreciation for this opportunity to work with you.

Very truly yours,

Schwartz and Schwartz PC

RE: **Organizer, Deadline and Instructions for 2018 Individual Tax Return Preparation**

Dear :

This Tax Organizer is designed to help you gather the tax information needed to prepare your 2018 personal income tax return. To help you complete the organizer with minimal time and effort, when available, you will find certain information from your 2017 personal income tax return.

In your Tax Organizer, all social security numbers and bank account numbers have been replaced with asterisks (**_**_****) and (****1234) to protect your personal information. If you need to change or update a social security number or bank account information, please contact this office. Do not indicate the social security number or bank account change on your Tax Organizer. When you receive your completed tax return(s), please review all social security numbers and bank account information for accuracy. Report any discrepancies to this office immediately.

INSTRUCTIONS:

Enter 2018 information on the Tax Organizer pages provided. If any information does not apply to you or is incorrect, please draw a line through it or make the necessary corrections.

If we have not received your information in full by **March 22, 2019, we will need to file an Extension of Time** for your tax return. Please note that there are no IRS penalties associated

IRS WARNING OF "PHISHING" EMAILS AND SCAM PHONE CALLS:

The IRS does not send out unsolicited emails requesting detailed personal information. Such authentic-looking emails are called "phishing" emails and responding may expose you to identity theft.

The IRS does not call taxpayers or solicit for payment of outstanding monies owed by phone. If you receive a phone call requesting you pay the IRS, please DO NOT give out any personal information, such as your social security number or bank account.

Please contact our office regarding any correspondence, written or electronic, that you receive from the IRS and we can help you verify if it is an authentic or a fraudulent request.

IRS EFILE MANDATE:

IRS regulations require paid tax preparers who expect to prepare and file 11 or more federal individual or trust tax returns to file them electronically.

To comply with this requirement your return will be electronically filed this year. The benefits of e-filing include a secure way to file tax returns and it provides proof of acceptance that the IRS has accepted your return for processing. Contact this office if you prefer your return be filed on paper.

Like all providers of personal financial services, tax professionals are required by law to inform clients of their policies regarding privacy of client information. Our firm continues to adhere to professional standards of confidentiality that are even more stringent than those required by law. We have always protected the security and privacy of your personal and financial information.

In all situations, we stress the confidential nature of the information being shared.
